CABOT Decoration Day Observance Was Fittingly Carried Out.

Decoration day dawned with a clear sky and bright sunshine, which added much to the pleasure of those participating. At 10 a. m. those gathered at Society hall formed a procession numbering nearly 200, formed a procession head-ed by members of the G. A. R. in an auto, ladies of the W. R. C., 50 school children, returned soldiers and citizens marched over the bridge, halting on the lawn of B. L. Bruce, where it was estimated about 500 were gathered. A square enclosed by the national colors had been set apart for carrying out the exercises, which commenced by singing "America,' followed by the R. R. C. service for the sailor and soldier dead. A solo, "Rocked in the Cradle of the Deep," was given by Mrs. J. T. Drew. Escorted by the color bearers of the W. R. C., the school children and many others placed flowers and evergreens on a stand draped with the flag, where eight grandchildren of veterans bore them to the bank of the Winoski river and tossed them on the water to be borne away in memory of departed sailors and soldiers. On an altar was placed a large Bible, where prayer was made by Rev. F. E. Currier. Remarks by Rev. M. W. Hale and a owed by a duet by Mrs. Carrie Bliss and day.

Barnett in memory of their son, Charles, who was called overseas never to return, having died with that dread disease, pneumonia. The urn stood near the center of the enclosure filled with green vines, red, white and blue flowers and four flags, over which was draped a larger flag. Rev. M. W. Hale gave a memorial address. A duet, "Kissed by the Angel of Peace," by Mrs. J. T. Drew and Mrs. Carrie Bliss followed. The urn was unveiled by Mrs. Abbie Read and Mrs. Carrie Bliss. After removing three of the flags, Mrs. Bliss, with a few well chosen words, in behalf of the W. R. C., presented the urn to Mr. and Mrs. Barnett, later to be placed on the last resting place of the departed in the cemetery at Danville. A solo, "Should the Stars in Your Service Flag Haines. Be Turned to Gold," by Mrs. Arthur Read, after which two returned soldiers, Ashley Barnett and Eddie Archer, were them cordial greeting, words of sym-

pathy and a hearty handshake. The march was again taken up to the cemetery, where appropriate exercises were carried out by the W. R. C., G. A. R. and children, placing upon a mound of evergreen, flowers and wreaths in memory of the unknown. Mrs. Jessie Drew and Mrs. Arthur Read rendered a duet, "Jesus Lover of My Soul," followed by the W. R. C. services, a song Blest Be the Tie That Binds," sung by the people present and all marched back to Society hall, where dinner was served to the G. A. R., W. R. , Sons of Veterans and all their fam-

ilies, 150 being sented at the tables. At 2 p. m. town hall was packed with eager listeners to hear the address of Hon. Harvey Burbank, which was very patriotic, humorous and impressive. He nade several comparisons between the heroic boys of '61' and the brave boys of 1919, relating several anecdotes of the Civil war which were enjoyed by all.

On Thursday afternoon appropriate exercises by the school children were Flora Atkins, who is teaching in Mt. given in town hall, the back of the stage Berry, Ga., states that she will not visit the week end at Plainfield at Edgar being banked with evergreens, while in Vermont this summer, as she has been Stoddard's. the front were bouquets of maiden hair engaged as matron for several girls from French at the University of Wisconsin ferns, red geranium blossoms, white eight to 15 years of age, where they Barre Sunday to see J. At 10 a.m. the G. A. R., W. R. C., Sons of Veterans, returned soldiers, parents and near relatives marched to the Congregational church and were seated in a body. Only five veterans, five sons of veterans and five returned soldiers were among the number. One veteran, Richard Doying, had answered the Master's call only a few weeks before. He was one of the faithful few seen every year at Memo-rial gatherings. An audience of 220 attended the service. Rev. E. L. Goddard, pastor of the Methodist church, delivered a very enthusiastic and inspiring sermon, paying high honors to the G. A. R., W. R. C. and returned soldiers, also a just and fitting tribute to the fathers and mothers who gave their boys that this country might be protected from the inroads of that terrible and cruel nation who at first thought they could whip the United States and trample us under their feet but soon changed their minds when they came face to face with U. S. troops and fully decided that

the boys of America knew how to fight. A genuine surprise was recently tendered Mr. and Mrs. C. P. Hatch at the Congregational parsonage through the kindness of Rev. and Mrs. Hale, who opened their house for the reception. About 30 friends and neighbors were present in honor of their 15th anniver-sary. Refreshments of cake and coffee were served. A purse of money presented by Rev. Mr. Hale was highly appreciated and thanks returned by both Mr. and Mrs. Hatch.

Children's day will be observed at the Congregational church next Sunday with appropriate exercises by the children. Next Friday afternoon the Red Cross s invited to meet at the home of Mrs S. J. Strong, Forceful Men With Plenty of Iron In Their Blood-Vigorous Man These Are The Ones With le Supreme The Power and Energy To Win "Many a capable man or woman falls just short of winning because they don't back up their mentality with the physical strength and energy which come from having plenty of iron in the blood," says Dr. James Francis Sullivan, formerly physician of Belle-vue Hospital (Outdoor Dept.), New York, vue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital.

"Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily faitinged, but it utterly robs him of that virile force, that stamina and strength of will which are so necessary to success and power in every walk of life. It may also transform a beautiful, sweet-tempered woman into one who is cross, nervous and irritible. To help make strong, keen, red-blooded Americans there is nothing in my experience which I have found so valuable as organic iron—Nuxated Iron." It often increases the strength and endurance of weak, nervous, run-down people in two weeks' time. Unlike the elder inorganic iron products it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by all good druggists.
